Processing of personal data when using the website and related services

Version	17 September 2026
Website	https://amix-team.digital/
Document	PRIVACY-2026-09

Important

This document reflects the actual AMIX TEAM website model: informational and educational materials, trading signals and subscription access. AMIX TEAM does not accept or manage users' funds.

1. General provisions

This Privacy Policy explains what information can be processed when you visit the AMIX TEAM website, access related resources and request access to materials or subscription.

The policy applies to the Website. Telegram, Teletype, brokers, exchanges, payment services and other external platforms independently determine the rules for data processing; you must read their documents before using such platforms.

2. Data we may process

2.1 Technical data

IP address, date and time of request, address of the requested page, referrer, type and version of browser, operating system, language, device information, diagnostic events and data necessary to protect against automated attacks.

2.2. Configuration of the language

The site stores the selected language in the local browser storage with the amix-lang key.

2.3. Voluntary data

If a user goes through an official link and writes to the team, they can process their name or alias, Telegram ID, message content, experience information, selected tariff, and other data that the user decides to report.

2.4. Relationship and payment data

The payment details may be processed by the relevant payment provider if used; AMIX TEAM should not send the bank card data in a regular message.

3. Purposes and legal bases for processing

Data shall only be processed to the extent reasonably necessary for the following purposes:

- the operation, safety, diagnosis and improvement of the Site;
- preserve the language chosen and provide the requested interface;
- responding to a request, agreeing on subscription terms, providing access and support;
- preventing fraud , abuse and security violations;
- performance of a contract or actions on the request of the user before its conclusion;
- complying with the mandatory requirements of law and protecting the rights of AMIX TEAM and users.

4. Who may receive the data

Access is only available to individuals and suppliers who need it for these purposes. These can be hosting and infrastructure providers, Cloudflare protection services, font and library providers; communication media, payment providers and government agencies, if required by law.

The verified version of the site downloads Google Fonts and Three.js through cdnjs. Transitions to Telegram and Teletype open separate services.

AMIX TEAM does not sell personal data. Transfers to another country are possible through the use of global infrastructure and communication services; available legal and contractual safeguards are applied.

5. Retention periods

Technical logs are kept as long as they are necessary for security and diagnosis. Correspondence, access and calculation information is kept for the duration of the relationship, dispute resolution and compulsory requirements.

The user can delete the amix-lang value through browser settings. AMIX TEAM

6. User rights

Depending on the applicable legislation, a user may request access to data, correction, deletion, restriction of processing, portability, objection to processing or withdrawal of consent.

The user has the right to apply to the competent data protection authority. If the compulsory law of a particular jurisdiction provides broader protection, such compulsory law applies.

7. Security and user responsibility

Reasonable organizational and technical measures are taken, but no means of transmitting and storing data guarantees absolute security. Do not send passwords, seed phrases, private keys, complete card details, or access a brokerage or exchange account.

AMIX TEAM does not ask for a deposit to be transferred to a trust.

8. Minors

The materials are associated with high-risk trade and are not intended for persons under 18 years of age or other persons who are fully capable under applicable law.

9. Changes and contact details

The policy may be updated when the Site, suppliers or legal requirements change.
